2024 ROUND ROBIN

The Annual Round Robin will start in April. This is your chance to shoot at the area clubs and meet their members. Although this is a competition between clubs and individual shooters, it is meant

to be a fun time. You don't have to be a great shooter. Just come out and enjoy yourself. If you can't shoot on Sundays, a weekday shooting date is available. Hope to see you there.

Qua-Ke-Zik teams had a great time, we ended up in 5th place this year. (but it's not about winning.) Some of the winners for the club were:

Josey Johnson, Jake Johnson, & Isaac Johnson. Congratulations job well done. And Congratulations to everyone that shot and represented our club.

FALL PARTY:

Was held Saturday October 5, 2024. It was a great time and the club sold 155 tickets. Thank you for everyone that attended and supported our club. As the only fundraiser for the year, we thank-you for your support. Thanks for the 30 members that bought and sold tickets. (more members need to support this event.)

NEWSLETTER

Club newsletters are now published monthly to keep members better advised of club activities.

I have deleted the Dues, List of Sunday workers and other minor items. These are either posted at the Club or on the website.

The club newsletter is now available on the new club website at quakezik.com. Our new email address is quakezik@gmail.com

This includes items for sale or swap if desired.

SHOOTING HOURS

Rifle Range Sundays & Tuesday
 Evenings.

Daily 9AM-dusk.

Skeet/Trap

Tuesdays 6PM-9PM

Sunday 10AM-3PM

Club house, skeet, trap, and indoor pistol ranges are open only to people who have keys. Rifle Range open to members who have keys.

SIGN IN FOR SHOOTING

Please remember to sign in when you are using the rifle, pistol, skeet or trap ranges on days when the club is not open, i.e. Tuesday evening and Sundays. Sign in sheets are located at the Rifle range, in the indoor pistol range, in the skeet low houses and in the trap house.

SUNDAY WORKDAYS

If you want to reduce your club dues you can do so by working on Sundays from 10AM. If so, please sign up on the work calendar in the clubhouse.

You are responsible for working that date or finding your replacement. All full members must have one Sunday workday (6 hours) and six other work hours to be eligible for dues discount.

DON'T JUST DROP THIS RESPONSIBILITY ON SOMEONE ELSE.

PLEASE NOTE THAT A CHANGE WAS MADE TO THE SUNDAY WORK CREW ASSIGNMENTS.

IF YOU SIGN UP FOR A SUNDAY WORK DAY OR ARE ASSIGNED A SUNDAY WORK DAY AND DO NOT SHOW UP OR MAKE ARRANGEMENTS FOR YOUR REPLACEMENT, A CHARGE OF \$100.00 WILL BE ASSESSED TO YOU NEXT ANNUAL DUES.

A signup sheet is posted in the club.

REMINDER

When shooting at the rifle/outdoor pistol range, shoot only from the benches.

Remember to put out the RED FLAG when going out in front of the shooting benches, and please sign in.

IMPORTANT!

If you bring a steel target, if using a rifle target must be beyond the 50 yd berm.

Shooting pistol steel target must be in front and center of the 25 yd berm. No target at pistol post.

SHOOTING FEES

We have eliminated the first time is free rule on the rifle range. We have found that there are a lot of "first time" guests down there. It is now \$5.00 per guest.

Also, as many of you have noticed, there is a donation box at the rifle range. We strongly encourage (beg) donations to keep the range in good repair for your shooting enjoyment.

We don't want to raise dues but repairs/upkeep are costly and the money has to come from somewhere.

ADDRESSES, PHONE NUMBERS AND E-MAIL ADDRESSES

Please keep the club advised of any changes in your address, e-mail and phone numbers. We cannot let you know what's happening if we can't contact you.

RIFLE RANGE

There is a donation box near the pole barn door. Please feel free to donate to it. The club has to pay for repairs and maintenance of the target backboards and your donations WILL help to keep your dues from increasing.

The Rifle Range rules are posted at the rifle range. Please read them and adhere to them.

The target boards get heavily damaged by constant normal use.

There are new target board, screws and screw bits near the pole barn door. You are free to replace these target boards as

necessary but you must bring your own portable drill.

We try to keep them in good repair, but we need more help. If you are willing to assist, please contact a club officer.

PLEASE BE ADVISED THAT NO EXPLOSIVES MAY BE USED ON RANGE. THIS INCLUDES TANNERITE.

All future newsletters will be on the new website Quakezik@gmail.com
